QUANTAR MAGIC!

'Barter for peasants!'

Quantar introduces a sophisticated form of barter, designed to monetise the commons, the beating heart of our nation. This digital trading currency, and marketplace, is available to everyone, at least eight years in age, who possess an Australian bank account, for authentic registration.

The initial, \$18 annual membership, plus every \$18 renewal, includes 500 complimentary Quantars, as seed capital, for transactions. Each Quantar is valued, at one Australian dollar, so the financial power, within the subscriptions, increases by, 2,777%!
